CHAMPION CARE UNVEILS NEW FACILITY NAMES, REINFORCES COMMITMENT TO QUALITY CARE IN THE COMMUNITY

As of December 1st, 2024, Champion Care is proud to announce the renaming of our facilities in Tennessee, marking an exciting new chapter in our dedication to exceptional care and support. The newly named facilities, Avondale, Lyonsview, Okeena, and Patriot Health and Rehabilitation Center, reflect our enduring commitment to the individuals and families we serve.

“At Champion Care, we believe in a standard of care where compassion and healing come together,” said Laura Goldston, Chief Marketing Officer. “These new names represent a fresh identity, but our unwavering dedication to providing outstanding, individualized care remains the same.”

The renamed facilities will continue to offer comprehensive services and specialized care designed to support the health, well-being, and recovery of our residents. Champion Care remains devoted to cultivating an environment that feels like home—where each person is valued, and every family member can feel confident that their loved ones are in compassionate, expert hands.

Champion Care is excited to continue our mission of enriching lives in Tennessee through innovation, respect, and a strong community connection.

For more information about our renamed facilities and the services we offer, please visit www.championhcare.com/locations or contact info@championhcare.com.

ABOUT CHAMPION CARE

Champion Care is a leading provider of skilled nursing, rehabilitation, and long-term care services. Our facilities offer a range of specialized programs aimed at delivering outstanding outcomes with compassion and dignity. Our mission is to create environments where compassion and healing come together.
